RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

This response is filed in reply to the Notification of Missing Requirements mailed on July 31, 2008. The Notification states that Applicants must submit an oath or declaration of the inventors. Pursuant to discussions with the Office of PCT Operations, Applicants understand that it is the USPTO's position that the Inventors' Declaration submitted in International Application No. PCT/US2005/003478 does not meet the requirements of 37 CFR §1.497(a) and (b) because not all pages of each declaration are included. Accordingly, Applicants submit complete copies of the inventors' declarations herewith.

The Commissioner is authorized to charge Deposit Account No. 07-1392 for the surcharge under 37 CFR §1.492(h) (\$130).

Respectfully submitted
